Jobs Plus / City Futures Celebration Held July 22

On Friday, July 22, 2022, the Housing Authority of Covington celebrated the closing of the Jobs Plus Grant program. The grant was awarded to the Housing Authority by HUD in July 2018 to benefit the City Heights community, with education, job training, employment and family support services.

Now, four years later, residents, staff and community partners enjoyed a luncheon at the Kentucky Career Center/Northern Kentucky Office and reflected on the accomplishments and challenges of the past four years. 12 residents, 9 community partners, and 5 staff dedicated to the City Futures program were honored. Each were spotlighted for their contributions and/or achievements.

The theme of the celebration was "You Make a Difference." Each honoree has contributed to the advancement of their family and/or their community through the Jobs Plus/City Futures program.
