Resident spotlight

Mikasha Stone

Mikasha Stone's journey has only begun. She is a loving mother of 2 and has accomplished many milestones in her life. She has completed CET leaving as a certified medical assistant and she now has a wonderful medical assistant career that she absolutely loves! Mikasha has worked extremely hard and it is definitely paying off. She constantly reminds herself that everything she does is for her loving family. She has a great support system in her husband and her children. We are so proud of Mikasha and all of her accomplishments!

Congratulations Mikasha!

Latonia Terrace

Tips from the Property Manager:

I have started conducting annual inspections at Latonia Terrace. Residents will receive an inspection notice along with 2 additional documents asking to note their issues and call in the work orders that need addressing. If you fail your inspection, you will have time to correct your issue(s) and contact the management office for a re-inspection. Remember cleanliness is the goal!!!

HAC rent policy: Residents are allowed to pay rent late one (1) time every six months. Rent is due on the 1st of every month, residents are given until the 7th of the month to pay as a courtesy.

Need Rent assistance?

Residents that are behind on rent payments can apply for the Healthy at Home funds through the State of KY.
