Resident Spotlight

HAC would like to honor and congratulate Heather Egan for her incredible accomplishments!

Heather and her three children have lived at Latonia Terrace for the past three years. To compliment her hard-working nature, Heather joined the Family Self-Sufficiency Program in November of 2023.

Although a new member of the FSS program, Heather is making amazing strides towards her goals! Since starting the program, she has taken a position at the IRS office. She has increased her income and will start making contributions to her escrow savings account this month.

Ms. Egan is also pursuing financial literacy goals. She sought out options through her new employer, and she is looking forward to their student loan repayment program. She hopes to learn more about budgeting and homeownership during her time in FSS. Keep up the amazing work, Heather! HAC is proud of you!

HAC Board of commission update

We are excited to welcome our new chairman of the HAC Board of commissioners, Brandon Mims and Vice Chair, Tom Haggard!

Congratulations to them both!!

The summer will be here before you know it!

Please call a work order in asap to get your AC installed due to limited spots available.
