

Housing Authority of Covington Family Self Sufficiency Program Letter of Interest

The FSS Program is a five-year, self-paced, voluntary program designed to assist Public Housing participants in achieving economic independence. Participation requires a personal commitment by YOU to develop goals that will lead to self-sufficiency.

These goals may include: • education • specialized training • job search and job retention • homeownership counseling • financial planning, including credit counseling • childcare • transportation • career advancement objectives

FSS participants may qualify for an interest-bearing escrow (savings) account. The account accrues as the household's portion of rent increases because of increases in earned income. This escrow account is awarded to the participant after successful completion of the program.

Current head of household and other adult family members who are willing and able to work are eligible for the FSS Program. We can assist you with finding suitable employment.

Take Control of Your Future!

Yes! I am interested in learning more about the FSS program.

No, I am not interested in the FSS program at this time.
