Resident Spotlight

HAC would like to honor and congratulate

Jacqueline Hill

for her incredible accomplishments!

Jackie Hill is HAC's most recent graduate of the Family Self-Sufficiency program. She successfully finished the program on June 30, 2024. For the past five years, she has worked diligently to accomplish her goals and save money in her FSS escrow account.

Since starting the program in 2019, Jackie has increased her credit score, established and secured full-time employment in a field she enjoys, and made plans to attend Gateway for business management. Her positive personality and determined attitude have motivated her to follow her self-sufficiency goals and dreams!

Keep up the amazing work, Jackie! HAC is proud of you!
