HAC would like to honor and congratulate the 2024 YES Program Graduates for their incredible accomplishment!

Kyli, Jameera, Bryce, and Jaydyn successfully completed the 3-week YES Program in July! Each graduate not only completed the program with a 100% attendance rate but actively participated in group discussion, lessons, and our YESTALK videos! All graduates learned teambuilding and communication skills and diligently put these skills to use each meeting. All graduates practiced and proved their leadership capabilities with the intent to gain (and continue) employment AND volunteer opportunities! Congratulations, Grads- you have great things ahead of you!
