## Does HAC have your e-mail address on file?

We want to ensure that you receive all important communications from HAC in a timely manner. To facilitate this, please make sure that your property manager has your current email address on file. Email is an essential mode of communication, and it is necessary for keeping you informed about updates, events, and any necessary information regarding your residency.

### Honoring the Brave: Memorial Day Tribute

As May unfolds, we approach Memorial Day, a day of remembrance and gratitude for the brave men and women of the United States Armed Forces. Observed on the last Monday of May, it serves as a reminder of their sacrifices and the freedoms we enjoy because of their courage.

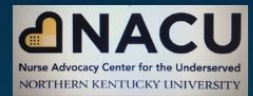

Originally called Decoration Day, Memorial Day began after the Civil War when communities decorated soldiers' graves. The first observance was on May 30, 1868, initiated by General John A. Logan. In 1971, it became a national holiday, now observed on the last Monday of May.

Memorial Day reminds us of the cost of freedom and the importance of unity. As we gather, let's remember those who gave everything for our country and honor their memory with gratitude and commitment to the principles they defended. This Memorial Day, express appreciation and keep their legacy alive, ensuring their sacrifices are remembered and their courage inspires future generations.
